PHILIPS

Decorate with colour

When you choose Philips DecoLED as a decorative lighting solution, you get more than just a great choice of coloured lighting. Suitable for indoor and outdoor use, Philips DecoLED lamps offer up to 80% energy savings, are reliable and safe. The Philips DecoLED outdoor types are especially durable in outdoor environments due to their special, weatherproof, non-breakable bulb. The lifetime of the lamps is extremely high in comparison to incandescent solutions, lasting up to 20,000 hours. This also makes them an environmentally friendly choice. When you want colourful lighting you can rely on, choose Philips DecoLED.

Application areas

The Philips DecoLED lamps are suitable for various decorative lighting applications, typically for:

- Events
- Fairs
- Parties
- Amusement parks

Features

- Colour changing type available
- Low maintenance (weatherproof, non breakable illumination globes)
- Longlife (useful life of up to 20.000 hours)
- Energy efficient (up to 80% energy savings)
- UV resistant polycarbonate bulb

Uplamping

The Philips DecoLED outdoor replaces the low wattage (15-20W) incandescent party lamps
