

# Maxos fusion

## LL500Z CB-CH SI

Maxos fusion Acc. - Silver

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With the electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future lay-out changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

### Product data

General information		Overall width	
Protection class IEC	-		40 mm
CE mark	CE mark	Overall height	40 mm
Material	Steel	Dimensions (Height x Width x Depth)	40 x 40 x 120 mm (1.6 x 1.6 x 4.7 in)
Angle	-	<b>Approval and application</b>	
Accessory color	Silver	Mech. impact protection code	IK00 [ No protection]
Product family code	LL500Z [ Maxos fusion Acc.]	<b>Product data</b>	
<b>Operating and electrical</b>		Full product code	871869637461099
Input Voltage	- V	Order product name	LL500Z CB-CH SI
Input Frequency	- Hz	EAN/UPC - Product	8718696374610
<b>Mechanical and housing</b>		Order code	910925864234
Overall length	120 mm	Numerator - Quantity Per Pack	1
		Numerator - Packs per outer box	15

## Maxos fusion

Material Nr. (12NC)	910925864234
Net Weight (Piece)	0.081 kg
