

# Maxos fusion

## LL500Z CB-CH BK

Maxos fusion Acc. - Black

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With the electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future lay-out changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

### Product data

General information		Approval and application	
Protection class IEC	-	Overall height	40 mm
CE mark	CE mark	Dimensions (Height x Width x Depth)	40 x 40 x 120 mm (1.6 x 1.6 x 4.7 in)
Material	Steel	<b>Product data</b>	
Accessory color	Black	Full product code	871869637462799
Product family code	LL500Z [ Maxos fusion Acc.]	Order product name	LL500Z CB-CH BK
<b>Operating and electrical</b>		EAN/UPC - Product	8718696374627
Input Voltage	- V	Order code	910925864235
Input Frequency	- Hz	Numerator - Quantity Per Pack	1
<b>Mechanical and housing</b>		Numerator - Packs per outer box	15
Overall length	120 mm	Material Nr. (12NC)	910925864235
Overall width	40 mm
