

RF Mesh nodes

LCN7310/00 Starsense Wireless SC RF mod.

Starsense Wireless is a networked controls system based on two-way wireless communication using the latest in mesh network technology. The system enables individual light points to be controlled remotely and to be managed via online platforms. Lighting operators can control remotely the outdoor lighting infrastructure setting dimming levels to achieve considerable energy savings and can get real time feedback from the luminaires reducing operating and maintenance costs via accurate scheduling of on-site maintenance service tasks, while improving both the quality and reliability of outdoor lighting.

Product data

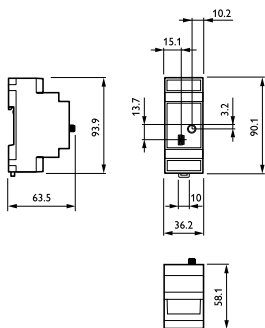

Product data	
Full product code	871829154744000
Order product name	LCN7310/00 Starsense Wireless SC RF mod.
EAN/UPC - Product	8718291547440

Order code	913700342404
Numerator - Quantity Per Pack	1
Numerator - Packs per outer box	1
Material Nr. (12NC)	913700342404

RF Mesh nodes

Net Weight (Piece)	52.430 g
--------------------	----------
