

Interact Ready Controllers

IAP SBA 0-10V ER100 120-277V RS

Extend your lighting system with Interact Ready controllers: control plug loads, fans, emergency luminaires, or luminaires lacking integrated sensors. Interact Ready controllers operate harmoniously with the full range of Interact Ready devices, including sensors, switches, and gateways. So you can enjoy the convenience and efficiency of unified control, knowing that every aspect of your lighting environment works together seamlessly.

Product data

General Information	
Connectivity	Interact Ready
Mounting	Recessed
Operating and Electrical	
Voltages	120/347 V
Approval and Application	
Safety Listing	UL

Product Data	
Order product name	IAP SBA 0-10V ER100 120-277V RS
Full product name	IAP SBA 0-10V ER100 120-277V RS
Order code	SBAZ10-CS-ER100RS
Material Nr. (12NC)	912401050779
Numerator - Quantity Per Pack	1
Net Weight (Piece)	2.180 kg
Numerator - Packs per outer box	1
