

The affordable LED solution

Essential LEDspot Reflectors

Essential LEDspots Reflectors are a perfect fit for spot and general lighting and deliver warm halogen-like and cool light. They are compatible with most existing fixtures with E14 or E27 base and are designed as a retrofit replacement for halogen or incandescent reflector lamps. Essential LEDspot Reflectors deliver significant energy savings and minimize maintenance cost.

Benefits

- Warm and cool white light
- Up to 92% energy saving compared with halogen lamps
- Lower maintenance costs

Features

- Easy retrofit to R50, R63 and R80 lamps
- Lifetime of 15,000 hours
- UV- and IR-free light
- Free of mercury and hazardous materials – RoHS Compliant

Application

- Hotels, restaurants, bars, cafés, museums, shops
- Lobbies, corridors, stairwells, washrooms, reception areas , exhibitions, display cabinets
