## RS378Z M55 D78 R-R AJ D EU

0.5 J standard plus - White

GreenSpace Flex comes with elegant and modular design concept, allowing combination of wide range of light engines and different frame accessories, each responding to different aesthetical and functional needs and satisfy diversified customer requirements. Whether it is to offer high visual comfort; enable beautiful impressive accents; provide cozy lighting ambience; obtain seamless integration to a false ceiling; or simply have water splash and dust protection; there is always a right option for you with GreenSpace Flex.

### Warnings and Safety

- The luminaire should be installed and disassembled by a qualified electrician and wired in accordance with the latest IEE electrical regulations or the national requirements, as per the product mounting instructions.
- Both a module (RS378B) and a frame accessory (RS378Z) must be ordered for a fully functioning luminaire configuration. Driver is a part of the module and is external.
- Module and Frame accessory should be compatible, both having the same diameter value in designation expressed as “Mxx” (e.g. M43 or M55)

### Product data

General information	
Protection class IEC	-
CE mark	CE mark
Material	Aluminum
Accessory color	White
Operating and electrical	
Input Voltage	- V
Input Frequency	- Hz

Mechanical and housing	
Overall height	52 mm
Dimensions (Height x Width x Depth)	52 x NaN x NaN mm (2 x NaN x NaN in)
Approval and application	
Ingress protection code	-
Mech. impact protection code	IK04 [ 0.5 J standard plus]
Product data	
Full product code	871951495065899

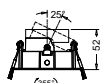

# GreenSpace Flex EU

Order product name	RS378Z M55 D78 R-R AJ D EU
EAN/UPC - Product	8719514950658
Order code	911401502291
Numerator - Quantity Per Pack	1
Numerator - Packs per outer box	48

Material Nr. (12NC)	911401502291
---------------------	--------------

K04
