

# Cellular CT nodes

## LLC7891/00 CT KIT MS EU4VF

The Philips cellular node enables plug and play connectivity for any existing and already installed outdoor lighting luminaire with different type of receptacle (such as Zhaga, Nema or 20mm conduit). Once a node is installed, the luminaire is automatically connected to Philips Interact City and automatically located on the map via GPS. Depending on the luminaire configuration (such as Zhaga, Nema or 20mm conduit) it will also work with an outdoor multi sensor.

### Product data

General Information		Full product name	
CE mark	CE mark	Full product code	LLC7891/00 CT KIT MS EU4VF
EU RoHS compliant	Yes	Order code	871951433645200
Operating and Electrical		Material Nr. (12NC)	913701056903
Line Frequency	50 or 60 Hz	Numerator - Quantity Per Pack	1
Input Current (Nom)	0.025 A	EAN/UPC - Product/Case	8719514336452
Temperature		Numerator - Packs per outer box	10
Ambient temperature range	-30 to +60 °C	EAN/UPC - Case	8719514336469
