

Metronomis LED Torch

ADS650 WL-WW

Spare Parts Outdoor Lighting

Metronomis LED is the first post-top range in the world to offer a palette of environmental lighting effects to give projects a unique contextual or aesthetic touch. An innovative play of reflection, light and shadow creates an environmental pattern on the ground or on the bowl to create additional ambience. Four new iconic designs – with a visual and modular link to Metronomis I – are reduced to the essential elements. During the day, the discreet, transparent design blends into its context, be it contemporary or classical, while its night-time appearance is both functional and decorative. The flexible, modular Metronomis LED comes with a range of columns and a wide variety of optics and effects, enabling architects and lighting designers to create a unified, consistent lighting design that still reflects the differences in urban culture and history.

Product data

General Information	
Product family code	AAA000 [Spare Parts Outdoor Lighting]

Mechanical and Housing	
Dimensions (height x width x depth)	NaN x NaN x NaN mm (NaN x NaN x NaN in)

Product Data	
Full product code	871869631990100
Order product name	ADS650 WL-WW

EAN/UPC – product	8718696319901
Order code	31990100
Numerator – quantity per pack	1
SAP numerator – packs per outer box	1
Material no. (12 NC)	910925259594
SAP net weight (piece)	1.100 kg
